Launch

What is the best thing about Fall? (The season, not the doctrine about the origin of sin.)

Explore

Read the passage

How did the serpent tempt Eve? What tactics did he use?

What happened when Adam and Eve ate the forbidden fruit?

Why did they hide from God?

How did God respond?

Where do you see glimpses of Jesus in this passage (especially in vs 15 & 21)?

Apply

How do you relate to the temptation of Eve in the Garden (Genesis 3:1-7)? In which ways do you see the tempting work of the enemy in your life?

How do you experience the brokenness of our world?

God, at great cost to Himself, rescues us from the consequences of our (and Adam's) choices. What are some particular ways we should respond to God's rescue of us?

How can/do you communicate the hope of Jesus to a broken world?

Pray

Thank God that He comes to us in our brokenness and offers hope and healing. Pray that we can be agents of God's redemption in the world.
